

Friday 13th March 2026

Dear Parents and Carers,

We are excited to announce that on Wednesday, 15th April, Years 5 and 6 will be holding their Curriculum Immersion Day for their next History project, 'Groundbreaking Greeks.'

To make this day a truly engaging experience, we would like to invite all of the children to come dressed linked to Ancient Greece (this is optional)! Throughout the day, the children will experience the trials and tribulations of Ancient Greek society, be delving into Greece's renowned mythological background and explore why this era remains at the forefront of history.

If your child wishes to dress linked to Ancient Greece, you have the opportunity to be as creative as you like: Hercules, minotaurs and a host of gods/goddesses may all feature on the day itself!

Thank you again for your continued support of the children's learning, we thoroughly enjoy seeing the children experience the immersion days and can not wait to share the photos from the day with you!

Miss Smith, Miss Ogden and Mr Cundall
