

Child Friendly Safeguarding Policy

(Keeping you Safe in School)

Stanley St. Peter's Primary School is our school and we want it to be a safe place. All the staff at Stanley St. Peter's Primary School will do everything they can to make sure you are protected and happy. To help them do this they have lots of rules to follow. This policy is to help you understand what Safeguarding means to you and to help you decide what could be a "problem" and whom you should talk to.

Staff in school think that Safeguarding means that they should:

- ✓ Protect you from harm;
- ✓ Make sure nothing stops you being healthy or developing properly;
- ✓ Make sure you are safely looked after;
- ✓ Make sure you have the best life chances and can grow up happy and successful.

Staff agree that to make sure they look after you they will:

- ✓ Make the school a friendly, welcoming and supportive place to spend time in – somewhere you want to be;
- ✓ Be there for you to talk to if you need to and know who to ask for help;
- ✓ Give you safe messages in your lessons to help you learn how to look after yourself both online and in the real world;
- ✓ Have all the right rules in place to help look after you. They will follow these rules all of the time (these rules are sometimes called policies).

VISITORS

At our school, visitors wear lanyards (like a necklace). These help us to know who is safe to talk to and who needs to stay with a member of staff.

Green Lanyard = Safe Visitor

- If someone is wearing a Green lanyard, it means that school has checked them.
- They are allowed to walk around school and help teachers.
- You can say hello to them – they are safe to be here.

RED Lanyards = Visitor who must stay with a Teacher or member of staff

- If someone is wearing a Red lanyard, they are still allowed to visit, but they must always stay with a teacher or member of staff.
- You should not go with them or talk to them alone
- If you see a visitor with a Red lanyard alone, you must tell a teacher.

ABUSE

When someone hurts you, it can be called abuse. This is when someone does something to you that is harmful, unpleasant or painful like:

- ❖ If someone deliberately hits you, hurts you, injures you or humiliates you;
- ❖ If someone says or does something that makes you feel bad about yourself or hurts your feelings which makes you feel scared, sad, upset or frightened;
- ❖ If someone shouts, threatens, hits or hurts someone you love whilst you are around which makes you scared, unhappy or worried;
- ❖ If someone does not take proper care of you so you feel abandoned, lonely or neglected;
- ❖ If you are unable to eat or wash regularly, or if you are unable to come to school every day or on time;
- ❖ If someone touches you in a way that you do not like for example touching your private parts;

- ❖ If someone makes you look at things, which make you feel ashamed, embarrassed, uncomfortable or guilty;
- ❖ If someone asks you to keep these things a secret or give you presents as a reward for these things.

Abuse is **never** ok and if you are being or have been abused you must remember – it is not your fault. You must always tell someone and they will help it to stop.

IN AND OUT OF SCHOOL

All of the staff at Stanley St. Peter's Primary School will do their best to make sure the building is safe for you to learn in and spend time in. We will make sure that we know who everyone is in the school by asking visitors to sign in at reception. You will always know who a visitor to the school is because they will have signed in at reception and will display the badge they receive.

People that we do not know will never be allowed to spend time with you on your own and will not be allowed to walk around the school without a member of staff. The building, outside areas and field will be as safe as they can be for you so that you do not hurt yourself, although accidents can happen if you are not careful. Staff will look after you if the fire alarm goes off and you should know what to do and where to go. When you leave school to go on a trip somewhere, the staff will make sure they can keep you safe wherever you are going.

WHAT WE DO at Stanley St. Peter's Primary School to help you:

- ❖ We will do our best to spot if there is a problem. All of the staff in the school have had lessons in this;
- ❖ We will work with other people (including the people at home) to help protect you and solve any problems you may have;
- ❖ We will listen to you if you want to talk to us and need our help. We will always take you seriously;
- ❖ We will support and encourage you and will respect your wishes and views.

At Stanley St. Peter's Primary School you can talk to any member of staff, but you should know that there are a number of staff who are responsible for making sure you are safe and well cared for.

People in school who can help you:

- ✓ Miss Wiggins is responsible for all Safeguarding and is called the Safeguarding Lead;
- ✓ Mrs Hick and Miss Dougan are responsible for Safeguarding too and it is their special job to keep you safe, you can talk to them any time if you are worried;
- ✓ Miss Watson (our safeguarding governor) is also responsible for keeping you safe.

You can also:

- ✓ Speak to your class teacher or the teaching assistant that is in your class;
- ✓ Tell a friend and then go with your friend to tell an adult.

It is important that you know:

- ❖ It is never your fault if someone is hurting or abusing you;
- ❖ There is always someone who can help you;
- ❖ If someone is hurting you, they might also be hurting someone else so it is important that you tell someone to make it stop;
- ❖ Every child should enjoy their right to a happy and safe childhood.

DO NOT BE SCARED TO TELL SOMEONE STRAIGHT AWAY - WE WILL ALWAYS LISTEN

Tips for keeping yourself safe

Bullying

If you think another child or a grown up is bullying you or someone you know you must tell your parents/carers, a teacher or someone you can trust as soon as you can. It will not stop unless you do.

Saying funny things to you

If a child or a grown up says something to you, or you hear something that you do not like or that upsets you, you must tell your parents/carer, a teacher or someone you can trust.

Touching you

Your body belongs to you and not to anyone else. This means all of your body. If someone touches you on a part of your body like your bottom, chest or anywhere else you do not like, it is not ok. You must tell your parents/carers, a teacher or someone you can trust as soon as you can.

Hitting, punching or smacking you

If a child or a grown up hits you, punches or smacks you or hurts you in any way, you must tell your parents/carers, a teacher or someone you can trust as soon as you can.

Secrets

Secrets such as surprise parties are fun, but some secrets are not good and should never be kept. Bullying should not be kept a secret and no one should ask you to keep a kiss, hug or touch a secret. You must tell your parents/carers, a teacher or someone you can trust as soon as you can. Do not keep a secret.

Presents

Presents are a good thing to get, but you should not take a present from anyone without checking with your parents/carers first. Most of the time it will be ok, but sometimes people try and trick children into doing something by giving them presents (like sweets, money or phones). This is sometimes called a bribe. If it does not seem right, tell someone as soon as you can.

On the computer or your phone

Computers and mobile phones help us all to share things and talk to our friends or family, but they can also make it easier for bullies and other people that want to hurt you (or to get close to you). It is important to know how to keep yourself safe on your computer, your phone and on websites. We have an e-safety policy, which is there to protect you. If you are unhappy with any comments or photographs, you have seen on your computer or mobile then you can also contact www.thinkuknow.co.uk as well as adults in school.
