MOBILE FARM...

Our school had the exciting opportunity to welcome Ian's Mobile Farm this week, and what an unforgettable experience it was! Each class had a fantastic session where they learned all about the various farm animals, their unique needs, and even had the chance to interact with them,

petting and grooming these wonderful creatures. As one child enthusiastically put it, "It was the best day at school EVER!" I think it's safe to say it was a huge success!

A heartfelt thank you goes out to our PTFA for funding this amazing event, and to all of you for your ongoing support by attending the PTFA events that help raise the much-needed funds for our school. We truly appreciate your involvement!

YEAR 3 & 4 TRIP TO EWDEN WATER TREATMENT CENTRE...

I was genuinely delighted to discover just how much the children enjoyed this educational visit—honestly, I was initially concerned it might not capture their interest, but I stand happily corrected!

The children had a fantastic opportunity to showcase their knowledge of the water cycle and water safety, while also learning about the fascinating process of how water from a reservoir is made safe to drink. It was an engaging and informative experience for them.

Equally pleasing was the feedback from the staff at the centre, who couldn't speak highly enough of the children's behaviour. It was wonderful to hear such positive comments, and it's a testament to how well our pupils represent the school!

PARENTS EVENING ...

A link to enable you to book a slot for parents evening should have been sent to you via a text. If you have any difficulty booking a slot, please call in to the office or give us a call on 01924 663641.

NEXT WEEK...

Our Year 1 and 2 children are eagerly anticipating their upcoming educational visits to Pontefract Castle, which will tie into their Magnificent Monarchs project. It's sure to be an exciting and enriching experience for them!

Meanwhile, our Year 5 and 6 pupils are also looking forward to the Only One Earth workshops, which promise to be both educational and inspiring.

If you haven't yet contributed towards these visits, we kindly ask that you do so as soon as possible. There are still a number of families who haven't made their payments, and we would greatly appreciate your support.

EYFS CHICKS...

Today, our EYFS children had to say a bittersweet goodbye to the adorable chicks they've been caring for over recent weeks. Now that the chicks have hatched and grown, they've reached the stage where they need to move on to a more suitable and permanent home where they can continue to thrive.

It has been such a joy to watch the children nurture and care for these little creatures, from the excitement of their first hatching to the pride they felt as they helped them grow stronger each day. The experience has not only been educational but also deeply heart-warming, teaching the children important lessons about responsibility, empathy, and the wonders of nature. While they'll certainly miss their fluffy friends, the memories of this special time will stay with them for a long time!

ATTENDANCE...

Well done to Abba Class who achieved 100%! Unfortunately, attendance has taken a dip this week. Each day a child is off school, they miss 6 lessons (plus additional sessions allocated for independent reading, handwriting practice etc.). This soon adds up!

If you require any support to improve your child's attendance, please call our office on 01924 663641 and ask to speak with our Attendance Officer, Mrs Richards.

Class	Year to date	This week
YN/R Wonder	89.08%	87.89%
YR Turner	94.95%	92.00%
Y1 Sheeran	94.37%	91.54%
