

# Stanley St Peter's News

14th February 2025

## SAFER INTERNET DAY...

Safer Internet Day is the UK's biggest celebration of online safety. Each year we cover an online issue or theme that speaks about the things young people are seeing and experiencing online.

Created in consultation with young people across the UK, this year Safer Internet Day focussed on the issue of scams online and for young people, how to protect themselves and others, as well as what support is available to them.

Our EYFS and KS1 children thought about who their trusted adults were and how they can help them to stay safe online. Our KS2 children enjoyed a live lesson that addressed key online safety concerns and encouraged young people to discuss and respond to online issues. Each class then enjoyed an activity associated with their learning.

At Stanley St Peter's, we take our commitment to keeping our children safe extremely seriously, including online. If you require any information about how to help your child stay safe online, please visit our E-Safety page on the Key Information tab on our website. This page will be updated with new links and further information during the half-term so watch this space!

We are a Safer School! The Safer Schools app provides advice, guidance, and information to help keep school communities safe. It can be used by parents, teachers, pupils, and other school staff. I have recorded a video for parents and one for children to explain how to download and sign up for this which is on our website on the relevant E-Safety pages for parents and children. Please forgive the horrendous thumbnail of the videos I recorded to explain how to download and use this app! It is not my best look ;)

## VALUES AWARDS...

Well done to all of our Values Awards winners. They will all be given a coveted 'Values Wristband' tomorrow!

## SEND...

Thank you to those parents that attended today's SEND attendance coffee morning. Those that attended stated that they found the event useful. It was proposed that we hold a SEND parent network meeting more regularly. I think this is a marvellous idea! It will give parents of children with SEND a chance to share their experiences, gain tips from each other and enjoy a chat (whilst drinking coffee/tea and eating some delicious pastries!) I also intend to invite specialists from different services to attend each time so that you can be more aware of the services and support they can offer.

Watch this space for when the next one will be held!

Class	Year to date	This week
YN/R Wonder	89.26%	93.78%
YR Turner	94.79%	94.48%
Y1 Sheeran	93.21%	88.46%
Y1/2 Bowie	95.17%	95.38%
Y2 Kylie	96.23%	97.92%
