

SEND Support Coffee Afternoon

To understand how we as a school support your child with SEND (Special Educational Needs and Disabilities) we would like to invite you to join Mrs Hick (Deputy Headteacher) and Miss Schofield (SENDCo) for a coffee afternoon.

We will share information about what we do in school, how we receive advice from outside agencies and how you can help your child at home, as well as having a coffee (or tea) together.

This coffee afternoon will be held on Wednesday 8th March @ 3 pm in the dining hall.

We look forward to seeing you there!
