Dear Parents/Carers

You may or may not be aware that the funding our school receives from the government is affected by how many children take a school meal on census day.

The autumn census is on Thursday 6th October.

Every child in Reception, Y1, Y2 and the children whose families are in receipt of free school meals will be offered a free school meal on this day so, we would appreciate it if you would consider not sending your child with a packed lunch.

Children that do not normally have a school meal are also welcome to order one for this day as long as your Parent Pay account has enough credit.

Our catering team have developed a special dining experience based on the children's favourite computer games for this day as follows:

I appreciate that funds are tight for lots of our families (they are for schools too) but if your child can take a school meal on this day it will help us out immensely.

Kind regards,

Michelle Wiggins

Headteacher
