Dear Parents/Carers

It has been a busy but incredibly enjoyable week in school! I would like to thank all those parents who were able to join us for the many events that have taken place in school and to reassure those parents that were not able to make it that we will be holding lots more events in school throughout the remainder of this year.

There have been a number of uniform issues this term. I must insist that all children arrive back at school on Monday 25th April in correct uniform and wearing the correct footwear. No trainers or boots either please. If you need clarification of the uniform requirements, please click here <https://www.stanleystpeters.co.uk/school-uniform-1/>

Also, I have made it clear to all children that they are no longer allowed to bring their own footballs to school. Please support us with this.

I have to admit, I have been disappointed with how slow things have progressed in terms of the repairs to the school after the fire. The tender bids have been received for the repair works and a winning bid has been chosen, but we are now awaiting agreement from the insurance loss adjustors before things can proceed any further. I will keep you updated.

During the Easter holidays we are having a new vinyl flooring fitted in our Reception classroom (it turns out that carpet and playdough do not go together well 😊) and we are having new basketball nets installed in the KS2 playground. Further improvements to our KS2 playground are planned over the next couple of months too so watch this space!

I sincerely hope you have a great Easter and we look forward to welcoming you back on Monday, 25th April.

Kind regards,

Michelle Wiggins

Headteacher
