

Creative Homework Project

Your project title for this term is 'Ancient Civilisations'. You should create at least 1 piece (though you can do more if you wish) of homework that is about the topic title given. Get creative, explore your ideas and most importantly – have fun with it!

We will then hold an exhibition of your projects to look at and celebrate all the independent research and work you have completed. Parents will be able to attend and enjoy the exhibition with you. We will also take lots of pictures to share on Dojo.

Please also find below a list of some suggestions that you could use for ideas of how to present your work:

- Poster
- Rap/song/poem
- PowerPoint
- Drawing/painting/collage
- Video
- Written text - newspaper/diary entry/fact file/recount/story/leaflet
- Board game
- Model
- Baked goods
- Comic strip
- Top Trumps game

Your projects are due in on Wednesday, 8th July at 2.30 pm - this is the day that we will hold the project exhibition.

Good luck and enjoy the challenge - we cannot wait to see your amazing ideas!
