Dear Parents/Carers

It has been great seeing all the children back in school. They have really enjoyed our British Values Week which culminated in a special celebration and our Crown Competition winners being announced. Congratulations to all our winners and a massive well done to everyone that took part. We had some truly fantastic entries.

As part of this special week, every class performed an act of kindness for the community. Some examples of the activities the children undertook included making bird feeders, litter picking, making placemats for 'Meals on Wheels' customers, collecting unwanted toys and games to donate to the children's ward at Pinderfields, planting 500 trees in the local area, making bookmarks for the elderly and making Get Well cards for hospital inpatients to name but a few!

I will post more photos on our Facebook page next week.

I hope you have a great weekend and we will see you on Monday.

Kind regards,

Michelle Wiggins
