Dear Parents/Carers

### **Oh no they didn't! Oh yes they did!**

I am super excited to let you know that we have booked a virtual, personalised pantomime for our children to enjoy on the last day of term before the Christmas holidays. This has only been possible due to the generosity of our wonderful community as we are using some of the funds raised from after the fire. I know the children will love this so thank you for making this possible.

### **Enrichment clubs are starting back up next week**

A letter regarding signing up to attend clubs went out yesterday (apologies for the delay with this). Clubs will resume from next week. If your child changes their mind and decides that they would like to join a club at any point over the half-term, please complete the request slip and if there are still places available they can be added in.

Unfortunately, Warhol Class did not take their club letters home yesterday when the rest of school did, so to make it fair, we have split the places available for clubs in that bubble evenly between the three classes (Monet, Mailou Jones and Warhol) to ensure that everyone has a fair chance to sign up for a club that they wish to attend. Places in clubs for other bubbles will be offered on a first come, first served basis regardless of which class your child is in within their bubble.

### **Polite request not to park in the GP surgery**

Can I please ask that parents refrain from parking their cars in the GP surgery. I have had reports of elderly persons having to park far away and walk to the surgery to attend appointments as there are no car spaces left due to our parents using them.

Kind regards,

Michelle Wiggins

Headteacher
