Dear Parents/Carers

As you are probably aware, all parents and carers are expected to ensure that the school holds at least two up to date emergency contact numbers for their child/children.

We are trying to get ahead of the game and ensure that this is completed before the children return to school in September so we would really appreciate it if you would take the time to complete the short online form which can be found on the link below:

https://forms.office.com/Pages/ResponsePage.aspx?id=_OmoEZZNfk6JWUagtnhmzyl2JgaInz5Jl0mh_GdIYTpUMkxDTEExSOVVRVEMzUjVKQjU4NTJUNzdZQI4u

Please note, it is important that EVERY family completes this form so that we can be assured that all our children are safeguarded in the event of an emergency – even if you believe that we already have the correct details.

I would like to take this opportunity to remind you that we are a Safer School and you can download the app for free. This app provides you with a wealth of information and advice about keeping your children safe online and details the latest threats and trends in the online world for you to watch out for. More information about this and how to download the app can be found here:

I hope you enjoy the remainder of the holidays. I will be in touch nearer the date we return to school with details of where to line up in the playground and to provide you with some details of our COVID Outbreak Management Plan (this is a plan that all schools are required to have in case there is a local outbreak).

Kind regards,

Michelle Wiggins
