Dear Parent/Carer

### Re: School Meals – September 2021

As a school we continually monitor our school meals service for quality and value for money. We have always ensured that the lowest costs possible are passed on to parents and carers for this vital service.

However, from September 2021 the cost of a school meal will increase from £2.20 to £2.21 per meal.

If your child is currently in Year 2 moving to Year 3 in September 2021, please bear in mind that your child will no longer be entitled to Universal free school meals. Therefore, the daily meal cost will apply.

Please can we also remind you that Stanley St Peters Primary School has a NO DEBT policy relating to the school meals, therefore, your child's account should be in credit at all times for a meal to be taken. These must be paid for in advance online through School Money **before** any meal is provided.

Thank you for your support in this matter.

Yours sincerely,

Miss Wiggins  
Headteacher
