

Friday 26th March 2021

Dear Parents/Carers,

I sincerely thank you all for all the efforts you have made to support our pupils over the last few months in regards to home learning. I acknowledge the huge efforts made by our school community to keep our children safe and well.

It has been lovely to welcome all children back into school and into their class rooms. I am super proud of how well everyone has settled back in.

Our library has had a mini make over this term, a fresh lick of paint with some lovely displays and seating area.

The sun was out for our end of year topic celebrations. Year 1 had a Royal Garden Party where the children enjoyed an afternoon tea! There are some fantastic photos on our Facebook page, along with Year 2 and their Coronation Party. Please do head over and take a look!

We end our half term with some great news, Stanley St Peters have been awarded GOLD status as an All Together Anti-Bullying School for our work in preventing and dealing with bullying!

I would also like to congratulate Miss Ogden on her exciting news.....she is expecting a baby later in the year! The baby is not due until October so she will see this academic year out to the end.

Please ensure that you inform Miss Wiggins, mwiggins@stanleystpeters.co.uk if any of our pupils test positive during the holidays. We will be able to advise you about what steps to take.

I wish you all a happy and relaxing and safe Easter break and we look forward to welcoming everyone back into school on Monday 12th April.

Happy Easter!

Miss Wiggins
