Dear Parents/Carers,

We are back!

I am sure there were many of you that breathed a huge sigh of relief when Boris Johnson announced that all children will be returning to school from 8th March 2021.

We are very much looking forward to welcoming back all children on this date and I will be reviewing and updating our risk assessment shortly to ensure that we can all return safely. I will notify you when I have completed this and put the reviewed risk assessment on our website for your perusal.

Uniform donations

If you have any good condition uniform that your child has outgrown and you are willing to donate, please get in touch with Small Steps Uniform Bank. They are a local charity that help supply children with all items of uniform, school shoes, PE kits etc. smallstepsuniformbank@gmail.com

Devices Loaned

If you loaned an iPad, Chromebook or Laptop from school during lockdown, please ensure that you return these on Monday, 8th March (the first day back at school) as these devices will be required for use by the children in school.

Kind regards,

Michelle Wiggins
