Dear Parents and Carers,

World Book Day

Despite the current restrictions, World Book Day is fast approaching and at Stanley St Peter's we are very excited about it. This year, World Book Day will take place on **Thursday 4th March 2021**.

Although World Book Day will look slightly different this year, we still want to encourage a love of reading and have thought of a few activities that the children can take part in at home. We know that the children loved taking part in our Luke Temple workshop last year. Following on from this, we are fortunate enough to have Luke Temple provide us with more fun and engaging resources for World Book Day.

In the afternoon, we have a variety of options that the children can choose from.

These include:

- Dress up as your favourite book character.
- Design a potato – decorate a potato as a book or book character of your choice.
- Extreme Reading challenge – think about different, exciting, fun and SAFE places you can enjoy a book.
- Create a reading den – get your favourite book and snuggle down in your den!
- Video yourself reading your favourite story and send it in to your teacher.
- Create a bookmark – get creative!
- Promote World Book Day by drawing a picture of your favourite book cover and displaying it proudly in your window.

Please send in any pictures to your class teacher as we would LOVE to see how you have celebrated.

Yours sincerely,

Miss Schofield and Miss Ogden
