Dear Parents/Carers

This week we have celebrated Children's Mental Health Week and National Storytelling Week! Mrs Atkin is really looking forward to receiving the children's work that she set during her Collective Worship – she is going to make a lovely display with it all in school so please make sure you send your child's work via email to Mrs Atkin on catkin@stanleystpeters.co.uk once they have completed it.

I am pleased to let you know that we have now purchased a subscription for Numbots (an online maths programme similar to TT Rockstars but that focuses on counting, number bonds and addition and subtraction). Your child can use their TT Rockstar log in details to access this. For more information, please see the launch video created by Mrs Hick here <https://www.stanleystpeters.co.uk/letters-to-parents-1/>. If your child does not know their log in details, please contact their class teacher.

I am also excited to let you know that Mr Cundall signed our school up for the Playground Challenge 2021 and he has been informed this week that our school has won a prize which includes lots of playground equipment! We are really looking forward to putting these items to good use once everyone has returned to school.

Home learning engagement is increasing all the time. I was particularly impressed with our Year 1 children who I know must require help to access their learning from a grown up but who still managed a massive 94% engagement! I would like to thank all parents for being so supportive and trying so hard to ensure that the children complete the work that is being set for them.

Next week we will be celebrating Safer Internet Day which is being organised by Miss Smith (our computing lead). Activities for this will be included on the children's home learning pages.

Our English leads – Miss Ogden and Miss Schofield – are incredibly busy organising World Book Day to take place (albeit remotely) on 4th March. More details to follow but I think KS2 children might be interested to know that Luke Temple will be making a reappearance!

I hope you have a great weekend and enjoy a well-deserved break.

Take care of yourselves and stay safe.

Michelle Wiggins
