Dear Parents/Carers

I am delighted to announce that 76% of our Year 2 cohort passed the phonics screening check (that is a rise of +23% from the last results the school had). Considering these children endured lockdown last academic year so could not sit the check when they were supposed to, as well as going through two bubble closures this academic year, I am so unbelievably proud of them, our amazing phonics leader Miss Thackrah and the whole of the Year 2 team – what an achievement!

All bubbles have now recorded their parts of our nativity (phew!) and we are currently in the process of trying to piece it together. As soon as it is completed, I will let you know and I will also let you know how you can view it.

The children have really enjoyed their last day of the term. They have been partying, eating, dancing and playing all afternoon so be warned; they may be a little hyper this evening!

Just so that you know, I am required to continue my track and trace duties up to and including 24th December so if any of our children from school test positive to COVID before 24th December, could you please let me know by email. My email address is mwiggins@stanleystpeters.co.uk. I will need to know the date their symptoms began or the date the test was taken if the child had no symptoms. I will also need the positive test result confirmation emailing to me too please.

I hope you all have a wonderful Christmas break and I will see you all next year!

Kind regards,

Michelle Wiggins
Headteacher
