Dear Parents/Carers

I am writing to inform you that we celebrated our Curriculum Talent Awards in school today. Each class teacher nominated a child for each subject we teach in school for the award and I would like to emphasise what a FANTASTIC achievement it is for a child to receive a nomination! Congratulations to all of our nominees – they will have brought home a special certificate with them today (and hopefully a big sense of pride).

The subject leaders then had to choose a winner from the nominations from the entire school within their subject and I am sure you can appreciate what a difficult task that was for them as we have so many hard-working, fantastic learners in our school! However, there can only be one winner and those children will have brought home a special certificate and a trophy to keep and treasure forever. Congratulations to all our Curriculum Talent Award winners too.

If you would like to watch the presentation, please click on the link below (you will not be able to search for the video as it is unlisted on our YouTube channel, so the only way to watch it is by clicking on the link below or by clicking on the link on our Home Learning page in the Collective Worship subfolder).

Enjoy and again, some massive congratulations to all of our nominees and winners. We can't wait to do this all again in the Spring term!

Kind regards,

Michelle Wiggins
Headteacher
