

Monday, 30<sup>th</sup> November, 2020

Dear Parents/Carers,

As part of our festive celebrations we would like the children to learn about how Christmas is celebrated around the world. This will be a wonderful way for the children to be able to relate their experiences of Christmas to those of others from around the world.

We are planning to share this learning during a whole school Collective Worship on the 14<sup>th</sup> December. It would be fantastic if we could make this even more relevant to our children by celebrating the many cultures that are represented within our school.

We would like your involvement with this! If your family celebrate Christmas with traditions that have been influenced by places outside of England, please let us know. We would like the children to find out about traditions around the world such as the types of songs, foods, decorations, Christmas Eve and Christmas Day routines.

If you would like to share your family's experiences please tell us about them via email, you could even include photographs of your family's celebration. Please email [catkin@stanleystpeters.co.uk](mailto:catkin@stanleystpeters.co.uk) . We will then include these in our special Collective Worship.

Thank you in advance for your participation and support with this.

Kind Regards

Mrs C Atkin
