

19th October 2020

Dear Parents/Carers,

As you are well aware, our wonderful PTFA have kindly donated thousands of pounds to support our school over the last academic year. Unfortunately, their fundraising capabilities have been seriously hampered as a result of the pandemic and we find ourselves without the benefit of their support at this time.

The substantial costs that the school has to cover due to increased hygiene and cleaning routines means that we are in a financial position that is less than ideal as we do not receive any additional funding from the government to cover these costs.

I would like to stress that we will always ensure that we have the necessary basics needed to provide the education that our children so rightly deserve; however, it saddens me to have to let you know that we simply cannot afford to fund any additional 'extras' that often make school and education so exciting!

That is why I am writing to ask for your help!

We intend to hold a non-uniform day on **Friday 23rd October** in order to raise some money for our school funds. We ask for a donation of £1 per child (please feel free to donate more if you can!).

With the funds raised, we intend to invite some children's authors into school to conduct writer's workshops over the next half-term.

As our Christmas Fair will not be able to go ahead either, we will be producing a Stanley St Peter's Christmas Catalogue! The children will make items to sell and you will be able to place an order for them. More details will follow.

I hope we can rely on your support!

Many thanks

Michelle Wiggins

Headteacher
