

Wednesday 7th July 2026

Dear Parents/Carers of next year's Year 3/4 pupils,

As we approach the end of the school year, the new Year 3/4 team wanted to let you know about an exciting event taking place at the very start of the new academic year. By sharing this information now, we hope to give you plenty of time to prepare.

We are delighted to announce that we will be holding a **Prehistoric Day** on **09/09/2026** to launch our first project, '**Through the Ages**'. This exciting day will immerse the children in the fascinating world of prehistory and provide a memorable introduction to our learning for the term.

Without giving too much away (we don't want to spoil the surprises), the children will take part in a range of engaging activities inspired by the Stone Age, Bronze Age and Iron Age.

To help bring the experience to life, we would like all children to come to school dressed as a prehistoric person. Costumes can be as simple or as creative as you like—there is no need to buy anything new, as homemade outfits are absolutely welcome.

Thank you for your continued support. We can't wait to begin this exciting learning journey with the children!

Kind regards,

**Miss Smith, Miss Hutton and Mr Reynolds
Year 3/4 Team**
